

GILBERDYKE PARISH COUNCIL

Notes of Cemetery Working Group Meeting

7:00 pm, Tuesday 28 June 2022

Conference Room, Gilberdyke War Memorial Hall

In attendance:

Councillor Paul Bryan, Councillor Chris Newsome, Councillor Pete Buckle, Councillor Sam Taylor-Dunn, Jake Wilde (Parish Clerk).

Councillor Bryan was elected as Chair of the Working Group.

The Clerk provided the Working Group with advice from ERNLLCA that there was no statutory duty for either East Riding of Yorkshire Council or Gilberdyke Parish Council to provide burial land.

After considered discussion of the various options, the Working Group agreed the following recommendations to put to the Parish Council:

1. To obtain formal legal advice regarding the statutory obligation, or lack thereof, to provide burial land.
2. To subsequently include an item on the Parish Council meeting agenda to formally decide the Parish Council's policy on the matter.
3. To recommend, subject to the legal advice referred to above, not to proceed with providing burial land.
