Three members of the public also attended the meeting.

The Chair opened the meeting.

1. Apologies, to be received, noted and agreed

None.

2. Declarations of interest

None.

3. Approval of minutes of previous Subcommittee meeting

These were agreed.

4. Public participation

Members of the public raised the following issues:

- The willow tree needs to be trimmed as it is blocking light to the adjacent properties on Flaxmill Walk
- The hedge in front of 1 The Paddock needs trimming
- The grass on the corner with Station Road needs trimming

5. Correspondence

The Clerk shared wildlife advice that he has received from a local resident.

6. Open Items

The issue of the rate of budget expenditure had been raised at a Parish Council meeting, with a member of the public suggesting that the budget should be spent at a quicker rate. The Clerk observed that, once the works being proposed had been concluded, that around 80-90% of the budget would be spent in the first two years of the original four-year plan.

Councillor Buckle reported that the water quality was OK. The meeting agreed that a more robust approach to testing needed to take place.

7. Outstanding quotes for consideration

The Sub-committee agreed to award the CCTV contract to Safeway Security and the aeration pump contract to Solar Aeration Systems.

8. Electricity supply to container unit

The Sub-committee agreed Councillor Woollass' request for quotes for an electrician and that the decision to award the shipper contract should come back to the Parish Council or the Jubilee Pond Sub-committee.

9. Guest - Andrew Mawe

Mr Mawe provided the Sub-committee with various advice on the different aspects of the pond.

10. Fishing competitions

The Sub-committee agreed to review this in time for next year.

11. Any other business

None.

12. Date and location of the next meeting

Not set.
